

# CUSTOM SCHOOL FOODSERVICE SOLUTIONS

**Our Mission:** To provide our children the best 30 minutes of their day.

*We are passionate about making a difference in every child or young adult's day and are aware that for some, our meals may be the best they have that day.*

## Who We Are

*Founded in 2002, SLA Management provides complete school foodservice management to K-12 private, charter, and district schools throughout the country.*

## Our Programs

*Our meal programs are custom designed to meet the needs and goals of the schools, districts, and communities we serve.*

We use only high quality, fresh ingredients in virtually all our scratch prepared daily menu offerings.

We offer a daily selection of fresh fruits and fresh vegetables, as well as complete A la Carte programs.

Our daily meal offerings are diverse and include regionally relevant staples.

SLA is continually developing and refining exciting new offerings to reflect current culinary trends.

## Community Engagement

SLA Management is engaged in every community we serve, striving to help teach our children how to eat healthier.

- » **Our Proprietary Cafeteria Hub®** provides 24-hour web access to menus, nutritionals, and more.
- » **Our Harvest of the Month** focuses on various food groups, featuring regionally and seasonally available produce, recipes, and more.
- » **Our monthly on-site promotions celebrate** important social, educational, and historical events.
- » **Our monthly Parent & Administrator Newsletters** are designed to keep our school communities informed.

► We love what we do.  
We believe it is important.

## Build a Meal™

SLA's Build a Meal™ program allows students to choose from multiple entrée and side selections on a daily basis.

- » **Center Plate** – our daily feature
- » **Deli Delights** – salads, subs, wraps, and more
- » **Little Italy** – home cooked Italian favorites
- » **All American Grill** – Chicken, Burgers, and such

## Our Team

### *SLA Management is a family.*

Our management staff is comprised of seasoned foodservice executives dedicated to making a positive contribution to our children's school experience.

We enjoy very strong local, regional, and national partnerships with our vendors, enabling us to efficiently develop and manage supply chains.

SLA provides all our associates with professional training, food handling certifications, including ServSafe®, and a path for growth within our company.

## The SLA Way

- » **Quality, nutritionally-balanced, cost affordable** NSLP compliant meals.
- » **Guaranteed revenue** for schools.
- » **No Cost, no financial risk** for schools *(only invoiced for meals served)*.
- » **Existing staff retention** is a priority when desired.
- » **Reduced administrative tasks and responsibility** for schools and districts.

## National School Lunch Program (NSLP)

***All SLA offerings meet and exceed NSLP compliance guidelines.***

SLA Management has an experienced, and highly respected NSLP compliance team to oversee and manage ongoing regulatory compliance for our school families.

SLA is extremely proficient in the management of school's USDA commodity entitlements.

The commodity entitlements are a significant source of revenue for our schools and we believe in maximizing the benefits for our school communities.
